EXPERIENCE:

Experienced Frontend Developer with over 1.5 years of expertise in designing and implementing dynamic, user-centric web applications. Proficient in HTML, CSS, JavaScript, and modern libraries and frameworks such as React. Demonstrated ability to create responsive, visually appealing, and highly functional interfaces that enhance user experience. Adept at collaborating with cross-functional teams to deliver projects on time and within scope. Strong problem-solving skills, a keen eye for detail, and a passion for staying current with the latest industry trends and technologies. Seeking to leverage my skills and experience to contribute to a forward-thinking team and drive innovation in web development.
